Autumn 2021 Parents' and Carers Evaluation of the School

Dear Parents/Carers,

Sincere thanks to everyone who completed, and returned, the 2021 Parent/Carer questionnaire earlier this term. The results are, once again, very reassuring indeed and we are particularly heartened by the significant amount of positive comments received, especially those relating to the helpful, friendly, welcoming and approachable nature of the staff team, how happy your children are to attend WIS and how well you have felt supported during the COVID-19 pandemic. All additional comments have been noted and, where possible and appropriate, will be included in our Federation development plans.
