Definition of an Information Complaint

An information complaint is any expression of dissatisfaction that requires a response about:

- A request for information;
- A request to re-use information;
- The standard of service received in relation to the Freedom of Information Act 2000 (FOIA), the Environmental Information Regulations 2004 (EIR), Data Protection Act 2018 (DPA) or the Re-use of Information Regulations 2015 (RPSI).

The response may be to put things right straightaway, or to investigate the matter further.

A complaint could include any of the following concerns:

- We **delay** or **fail to deliver** a request for information or a request to re-use information;
- We **fail** to resolve a request to handle your personal information as we should;
- A member of staff’s **attitude** or **competence** causes concern;
- We **fail to meet** our statutory responsibilities in relation to FOIA, EIR, DPA or Re-use;
- We **apply** an exemption or exception that you are not happy about.

A complaint **is not**:

- a first request for action;
- a query about progress of a specific issue.

Information Complaints Procedure

Complaints must be made to the federation in writing.

If assistance is required to put a complaint in writing the complaint can be made in person via either federation school office.

Informal complaints can be made in writing but can also be made via the telephone.

Informal Resolution

Where the information complaint is of a general nature, we aim to resolve the issue informally. We encourage complainants in this first instance to contact the Executive Headteacher who will do all they can to put things right.

Formal Resolution

Where the complaint is about a perceived breach of the FOIA, EIR, DPA or RPSI the complaint will be investigated through the federation’s formal procedure. The formal complaint process will be carried out as a one stage Internal Review.

Please note - EIR complaints must be made within 40 working days of the alleged failure to apply the regulations.

The Winterton Federation Schools Information Complaints Policy

Formal Process

A senior member of staff will carry out the Internal Review.

The complaint will be logged with a unique identification number. An acknowledgement will be sent to the complainant within 5 working days and a response will be sent within 20 working days. This can be

extended to 40 working days for in depth Internal Reviews. The complainant will be informed in writing about any extension.

We will at all times deal with information complaints courteously, openly and fairly.

Upheld Complaints

Where we have made a mistake or failed to provide the expected standard or quality of service, we will acknowledge and apologise for this. We will also set out the actions we will take to put things right and improve our services.

This could include:

- Providing previously withheld information;
- Permitting the Re-use of information;
- Permitting the Re-use of information with different terms;
- Reviewing school FOIA, EIR, DPA or RPSI policies or procedures;
- Reviewing how we handle personal data;
- Providing appropriate staff training and guidance.

Not Upheld Complaints

Where we have investigated and we still uphold the original decision we made, we will:

- Explain the reasons for our decision clearly;
- Provide any relevant evidence to support the decision;
- Inform complainants how to progress their complaint if they remain dissatisfied.

Persistent and Vexatious Information Complaints

We aim to respond to all information complaints positively, and ensure that customers are satisfied with the way their complaint has been handled.

In a small number of cases complainants may pursue a complaint in an unreasonable way, which impacts, on federation resources and capacity to respond to the complaint effectively, such as by:

- Changing the basis of a complaint during the investigation process;
- Refusing to co-operate with the complaints investigation process;
- Refusing to accept investigation conclusions and decisions;
- Repeatedly making the same or similar complaint.

How to appeal against the outcome of an Information Complaint

Where the federation has Internally Reviewed a complaint about the FOIA, EIR, DPA or RPSI and the complainant is still not satisfied, they may appeal to the Information Commissioner's Office, as follows:
