Every school has statutory obligations that are set out in 'Keeping Children Safe in Education' and other guidance and regulations.

## **Why we use this data**

The federation needs to process data to take steps at your request prior to entering into a contract with you. It may also need to process your data to enter into a contract with you.

## The Winterton Federation Privacy Notice for Job Applicants

The federation needs to process data to ensure that we are complying with our legal obligations. For example, we are required to check a successful applicant's eligibility to work in the UK before employment starts.

The federation has a legitimate interest in processing personal data during the recruitment process and for keeping records of the process. Processing data from job applicants allows the federation to manage the recruitment process, assess and confirm a candidate's suitability for employment and decide to whom to offer a job. The federation may also need to process data from job applicants to respond to and defend against legal claims.

The federation may process information about whether or not applicants are disabled to make reasonable adjustments for candidates who have a disability. This is to carry out our obligations and exercise specific rights in relation to employment.

Where the federation processes other special categories of data, such as information about ethnic origin, sexual orientation, disability or religion or belief, this is for equal opportunities monitoring purposes.

For some roles, the federation is obliged to seek information about criminal convictions and offences. Where we seek this information, we do so because it is necessary for us to carry out our obligations and exercise specific rights in relation to employment.

The federation will not use your data for any purpose other than the recruitment exercise for which you have applied.

### **How do we use the data?**

Your information may be shared internally for the purposes of the recruitment exercise. This includes members of the HR and recruitment team, shortlisting and interview panel members involved in the recruitment process (this may include external panel members), and IT staff if access to the data is necessary for the performance of their roles.

The federation will not share your data with third parties, unless your application for employment is successful and it makes you an offer of employment. As well as circulating your application and related materials to the appropriate staff at the federation, we will share your personal information for the above purposes as relevant and necessary with:

- your referees;
- Disclosure & Barring Service (DBS) in order to administer relevant recruitment checks and procedures;
- UK Visas & Immigration (UKVI) in order to administer relevant recruitment checks and procedures;
- where relevant, and as required for some posts, the Teacher Regulation Authority checks.
